" 14 . I want some rules to be framed for recognising an association for the purpose of conferring the franchise. For example, it must not be a moribund association coming into existence only for the purpose of electing a member. It should be an active association doing something substantial to promote the welfare of the people or a section of the people sufficiently numerous in the District. The rules on the subject for recognising the associations for the purpose of selecting members to the Representative Assembly may be consulted and draft rules may be submitted at an early date.
